International Police Association – Regional Club IPA Split-Dalmatia (IPA SD) and Croatian Association of Historical Cities (CAHC) organize a Conference of the experts, scientists, people with practical knowledge, who have experience in organisation and development of quality of life in the communities with recognizable architectural and historical heritage.

CAHC and IPA SD, the non-profit associations, and their membership, place their joint mission – improvement of quality of life for benefit of local community – as the main motive for organization of this Conference.

The main subject of this Conference, in period between 31/03/2017 – 01/04/2017 in Split, Croatia, is incorporated in its headline:

„Security of the historical cities“

The aim of the Conference is collecting of the best practices and experiences, applicable in the local communities, municipalities and cities, besides enabling exchange of work models and expert support:

The Conference is directed towards:

- Heads of Counties' Administrations (Župans), mayors and the Heads of Municipalities
- Tourist companies' managers and employees
- Security and Crime Prevention experts
- Representatives of the expert bodies of the regional and local administrations (communal constabulary, traffic constabulary, etc.)
- Members of the regional and local assemblies
- Representatives of the urgent services (Police, Fire Brigades, Emergency Medical Service, Search & Rescue Service)
- Associations of the citizens and associations of the experts
- Crime Prevention Councils' members, Security Boards' Members, Traffic Safety Boards' members
- Private Security Companies and Insurance Companies

Experts from few countries have confirmed their participation on this Conference. In two working days the participants will be able to get practical knowledge exchange presented by:

INTERNATIONAL POLICE ASSOCIATION

REGIONALNI KLUB IPA SPLITSKO DALMATINSKA

IBAN: HR9523300031100200705

- dr. Peter E. Tarlow, the President of the American Association “Tourism & More”;
- Mr Stéphane Tijardovic, the French National Police Attaché in the French Embassy in Zagreb;
- Stewart Brinn, Lincoln Police, United Kingdom
- Saša Kuhar, from the Faculty for Security, Ljubljana, Slovenia;
- Alen Ostojić, Croatian Association of the Security Managers;
- Representatives of the Ministry of Interior of the Republic of Croatia
- Representatives of the International Police Association.

The organisers’ mission is visible in their intention to provide answers for the participants on important questions connected with security and prevention:

1. What are the modern security challenges, especially from aspect of risks for the cultural and historical heritage of the old cities?
2. What are the answers of the expert and local community on those challenges and what really brings a success in reality?
3. What kind of partnership in a local community, and in what way, really helps in securing a coexistence of history and modern life through planned development?

The results of the Conference will depend largely on the support of the partners and interested parties, responsible participants and important wheels in the process of formation high quality life environment in the local communities.

The budget of the Conference is based on expected participation fees and the donations from our partners the cities, municipalities, economic and social associations, and all those interested in development and durability of the project.

Participation fee is 600 Croatian Kunas (cca 80 euros) includes:

- welcome drink on March 30 2017
- excursion to fortress Klis
- gala dinner party on March 31 2017
- participation on the Conference and working materials
